

KURARAY POVAL Modified Grades; REACH Compliance

2nd Oct 2017

On May 31, 2018, the third deadline as well as the transitional period for the registration of chemical substances according to REACH Regulation (EC) No 1907/2006 will end. KURARAY POVAL™, ELVANOL™ and EXCEVAL™ are polymers and exempted from mandatory registration under REACH. However, manufacturers and importers of polymers are obliged to register monomers and “other substances”, which are used for polymer manufacture. Kuraray Europe GmbH confirms that it continuously fulfils on due date all applicable REACH obligation for all substances, which are relevant with regard to above product groups. Registration of all raw materials for following grade will be completed by 31st May 2018.
